Okemo, Vermont

January 31–February 3, 2020

Cost: \$649

Okemo and the Super Bowl – what a combination! Ski the best snow in the East and watch the Eagles (fingers crossed) win again! Okemo boasts 98% snowmaking coverage. With 121 trails, slopes and glades on 632 skiable acres, we should have snow no matter what Mother Nature is doing.

For the cross-county enthusiast, you will find a well marked trail network of 22 kilometers of tracked and skate-groomed terrain, and 13 kilometers of trails dedicated to snowshoers at the Okemo Nordic Center. There's something for every level.

Signup for this trip opens up at the September 17th club meeting. Drop by the Okemo table or send deposit check made payable to KOPSC, along with a signed registration/release form to:
